Editors Note

We are happy to note that DIOTIMA'S attempt to encourage research at a micro-level among the college teachers of Kerala has borne fruit as the articles in the issue clearly prove. The present issue concentrates on 'Postcolonialism', both as theory and as a new way of approaching texts. We are proud to have the contributions of upcoming Indian English Writers like Dr. Raghuram, Ms. Chandni Santhosh and Dr. Vijay Nair in our poetry section. We request our readers to continue to support this journal with their critical opinions, research papers and subscriptions.
